The 4th May 1966

SUBJECT :—*Import of Iron & Steel materials from U.S. under U.S. AID Non-Project Loan, 1966—Procedure of licensing.*

No. 1/6-18/66—It has been decided by Government to issue *ad-hoc* Import licences for import of Iron & Steel Mill Products under U.S. AID Non-Project Loan, 1966. In order to utilise the loan speedily and effectively within its limited validity period the Import licences under this loan will be issued in the manner indicated below :—

(A) *Eligible Units* : Actual Users (Industrial Units) who hold Import licences for Steel items and Ferro-Alloys issued by the Iron & Steel Controller at Calcutta or his Regional Offices at Bombay, Madras and New Delhi for period April '64/September '64 and October '64/March '65 will be eligible to obtain such *ad-hoc* licences if the total value of the actual user licences obtained by the applicant for Iron & Steel items during the two periods April '64/September '64 and October '64/March '65 taken together under U.S. AID and/or free foreign exchange, was not less than Rs. 5,000 and provided they are included in the list of Industries mentioned in Annexure "I" to Ministry of Commerce Public Notice No. 47-ITC(PN)/66 dated 7th April, 1966 [including Iron & Steel (Metals), Ferro Alloys & Special Steels].

The following licences will be excluded while computing the total value :—

- (i) Licences issued on the recommendations of the Directorate General of Supplies & Disposal/Railways or D.G.O.F. whether under Free Foreign Exchange or U.S. AID or any other credit.
- (ii) Licences issued by authorities other than Iron & Steel Controller.
- (iii) Licences issued for imports from Rupee Payment Countries.
- (iv) Licences issued against credits other than U.S. AID.

(B) *Eligible Items* : Licences to be issued in each case will cover only those items which were authorised for import under the relevant A.U. licences (U.S. AID and/or Free Foreign Exchange) issued to the importers for the periods April '64/September '64 and October '64/March '65 and computable as per Clause (A) above, provided those items figure in the list of eligible items mentioned in Annexure to this Public Notice and are not banned under the current Import Policy as published in Public Notice No. 1/1-116/A, dated 14th April, 1966 and Public Notice No. 1/1-116/B, dated 14-4-66.

(C) *Value of the licences :*

- (i) In the case of Small Scale Units the value of the licences to be issued to each unit will be calculated at fifty per cent of the total value of the A.U. licences obtained by the unit for the two periods April '64/September '64 and October '64/March '65 under U.S. AID and/or

Free Foreign Exchange as computed in terms of Clause (A) above. If the total value of the relevant licences as computed in terms of Clause (A) above amounts to Rs. 5,000 or more but less than Rs. 10,000, the licence to be issued in such cases will be for a minimum value of Rs. 5,000.

- (ii) In the case of unit other than Small Scale Unit, the value of the licences to be issued to each unit will be calculated at 33-1/3 per cent of the total value of the A.U. licences obtained by the unit for the period April '64/September '64 and October '64/March '65 under U.S. AID and/or Free Foreign Exchange as computed in terms of Clause (A) above. If the total value of the licences as computed in terms of Clause (A) above amount to Rs. 5,000 or more but less than Rs. 15,000 the licence to be issued in such cases will be for a minimum value of Rs. 5,000.

(D) *Application* : Eligible unit should apply direct to the Iron & Steel Controller, 33, Netaji Subhas Road, Calcutta-1, [and not to the Regional Offices] in the prescribed form and manner in duplicate with requisite Treasury Challan, and current I.T.V.C. Number and Date. It is not necessary to route the applications through the concerned sponsoring authorities or support the applications with the Essentiality Certificates from those authorities. The applications should *inter alia* be accompanied by the original customs purpose copies of the relevant Import licences, with two certified copies, for the period April '64/September '64 and October '64/March '65 computable in terms of Clause (A). In case the original Customs Purpose copies cannot be produced for valid reasons, two Photostat copies thereof may be sent.

(E) *First Come, First Serve Basis* : The licences will be issued by the licensing authorities on the principle of "First Come, First Served" against the AID bulk ceiling earmarked for the purpose. In other words, so long as the ceiling permits and the applications are found in order the licences will be issued in the order in which the applications are received. Applications received after 28th May, 1966 will not in any case be entertained. As the licences will be issued on the principle of "First Come, First Served", it is in the interest of the applicants to submit their applications as early as possible.

(F) *Conditions of licences* : The licences to be issued will be subject, *inter alia*, to the terms and conditions which will be published shortly. The licences will be issued under the Letter of Commitment procedure which means that no remittance of foreign exchange will be allowed against the licences and payment has to be made to the U.S. Suppliers in the manner prescribed under the procedure. Efforts should be made to utilise the licences within its initial validity, as the initial validity period of the licence will not be extended under any circumstances. The licences should, therefore, be utilised speedily, ensuring at the same time that the terms and conditions of the licences are strictly complied with.

NAGENDRA BAHADUR
Iron and Steel Controller

(Annexure to Public Notice No. 1/6-18/66 dated 4-5-66.)
